### PRESIDENT'S NOTES FROM THE SQUARE OFFICE

From the January ATHS Board of Directors Meeting

The Board looked at various ways to get more information out to the chapters and keep the entire organization informed. The executive committee meets by telephone every other week. The meeting will be summarized and forwarded out to the Board. From the awards committee, all awards must be applied for using the ATHS forms available on our web site. If the application is not received on the correct forms, they will be denied. ATHS Executive Director Lynn Grable has resigned for personal reasons and the Executive Committee has appointed Jim O Hebekken, Director of Marketing, to move up to an interim position of Executive Director. He is well qualified and will have a chance to prove his abilities. The lifetime membership of \$1000.00 which was established many years ago is being updated over a five year period from \$1,000.00 to \$2,000.00. This will take effect upon a change to the bylaws.

2017 Mason Dixon dues are due. Please send a check for \$10 payable to the Mason Dixon ATHS and mail it to:

C. Randall Pickett, 1421-A ST Michael's Rd. Woodbine, MD 21797

God Bless America

David Alexander

Jim Alexander

Allen Bond

Fred Craig

Allen Fisher

M. D. Miller

Buzz Payne

Dick Schaffer

#### *Dues and Membership*

The policy of the ATHS and the bylaws of the Mason Dixon Chapter state you must be an ATHS member to be a member of the local chapter. On the issue of dues, dues for the year are due by the Festivus in January. The chapter has to submit a list of members to the ATHS by the 31st of January of each year. This is when the ATHS audits membership to see if the chapter members are ATHS members. We will no longer carry members that are past due on their dues.

The Hood Scoop is published on the first week of the odd month when possible. Deadline for submission to the Calendar of Events and For Sale / Wanted is the third Friday of the even month.

The Mason Dixon Chapter of the American Truck Historical Society sole purpose is to collect and preserve the history of antique trucks and the industry. We also support organizations that help those in need.

The Mason Dixon Chapter will not discriminate on make, model, year, color, or condition of any antique truck or its operator!
